Dear Leprechaun Days Parade Route Resident:

This year's Leprechaun Days Parade will be passing through your neighborhood or by your house on Saturday, July 29. Street closures will begin at approximately 8:00 a.m. to allow adequate set up time for the parade. We anticipate the streets remaining closed until approximately 2:00 p.m., at which time police and staff will remove the barricades. Cars exiting prior to staff removing the barricades create a very dangerous situation for parade personnel and spectators. Please do not move the barricades. Please plan on taking alternate routes out of your neighborhood the morning of the parade for the safety of our volunteers. You might consider parking your vehicle on a nearby street earlier, if you expect to need to leave during the parade.

The parade starts at 11:00 a.m. at 145th Street and Shannon Parkway and continues to Cameo Avenue. The parade floats will line up on 145th Street between Diamond Path and Shannon Parkway and on Shannon Parkway south toward the fire department and north to 144th St. starting at 8am. Parade volunteers will be placing "street closed" signs and trash containers along the parade route early Saturday morning. There will be no access to these areas except for emergency vehicles starting at 8am.

Thank you for your support with the traffic control issues on this busy day. We hope you will enjoy the parade and also find time to participate in some of the other Rosemount Leprechaun Days events July 22 through July 29.

Sincerely,

Rosemount Leprechaun Days Committee
